Athletes on a team: 2 Options depending on your team, (ask your coach)

1. Let your coach know what you are competing in and pay your coach who will pay in one lump sum for whole team.
2. Once your Coach has entered you into your events you can go online and pay for them. Please do this by **Tuesday 7pm** so your coach will know who has paid in time to delete anyone who has not paid before the entry deadline that evening. You will need to create a Parent Account and link your children in order to pay for them. Here are the instructions for this:

You will need to go into your account, enter a credit card and enter all the athletes who will be participating into their events before parent's can pay for them. If you are new to athletic.net & or USATF you will need to send athletic.net an email as you create an account informing them of what USATF club you need to connect with in order to do any of these steps.
