

*****Update: As of now only athletes 13 & up can participate since they have to create their own account. Athletic.net is working on ways to allow parents to connect so as soon as that becomes available, we will let you know. Sorry***

Welcome Track & Field Athletes. With our current conditions we have decided to begin hosting Virtual Track Meets to start off our 2020 Season.

We will host a new meet every week for as long as we need to. The Meets will begin on Saturday and go Through the following Friday.

These meets will include all USATF events (excluding HJ/PV/Relays - no contact allowed). We have also included a few HS distance races (300m Hurdles, 1600m & 3200m). Events will be according to USATF age divisions for Youth then 1 Adult category.

USATF membership # & birth verifications are NOT mandatory for these virtual meets. However memberships keep the programs going so join here:

<https://www.usatf.org/home/top-utility-nav-content/membership>

So invite your youth/HS/College/Open/ Masters athletes to come compete with us.

You will need to create athlete/team accounts on athletic.net

Add the meet to your calendar. Here is Week 1's virtual meet:
